

FLAT PROJECTOR

GET TO IT'S
WEB PAGE

Compatible with any type of pool, **this is just what you need to light up polyester or liner pools !**

Screws into a vacuum fitting or wall fitting with a 1.5" thread.

CONSTRUCTION

Compatible with all types of pool where installing a conventional projector could cause leakage problems

Straightforward, easy installation with the installation kit containing 2 heat-shrink connectors

Comes in 2 versions :

COLOUR LIGHTING with remote control : To add splashes of colour to your pool, this projector has 11 colours and 5 automatic programs. The exclusive SEAMAID optic lens brings out a harmonious blend of colours.

> Includes a memory of the last program used and a Reset function.

WHITE LIGHTING : Ideally included in the original design, this projector spreads light around pools up to 10x5 meters evenly, without dazzling bathers.

Did you know ?

Originally sold with a white crown, the flat projector is now available in light blue, sand, light grey, dark grey and matt metal (page 11). Match the crowns to the colour of the pool to delight your customers !
